

# PRODUCT CARE and INFORMATION SHEET

## MFC and Vinyl Wrapped Products

Issue Date. September 2011 rev 03/14

This product has been manufactured to the highest possible standards using modern manufacturing processes and materials. With the appropriate in-home care and maintenance it will provide years of trouble free performance.

Please inspect the product thoroughly, before commencing any work, making sure that it meets your full requirements for colour matching and is free from any scratches or blemishes. Once the product has been drilled for hinges or handles, fitted or cut etc. in any way it cannot be replaced. When fitting hinges or handles please ensure that 'sharp' tooling is used and the door or drawer front is placed on a clean, soft cushioned surface to avoid scratching or damaging the fascia.

## Care and Maintenance Instructions

Many multi-purpose cleaning agents are unsuitable for use on this product, as aggressive cleaning chemicals can result in irreversible damage. Please follow the suggested guidelines carefully:

**USE** a 95% warm water and 5% mild soap solution, wiping with a damp, not wet, cloth and then drying with a soft clean cloth. Never allow water or fluids to lie on the surface, any spills, including cooking splashes should be wiped away immediately. Dust with a soft clean cloth only.

**DO NOT USE** wax furniture polish, abrasive scouring powders or aggressive cleaners, bleach or chlorine based cleaners, multi-purpose cleaners, alcohol, solvent or similar products.

Here at **DVD Ltd** we are constantly developing and improving our products and we reserve the right to alter specifications without prior notice. All details correct at time of publication.
